This Project is brought to you for free and open access by the School of Human Sciences at SFA ScholarWorks. It has been accepted for inclusion in Interior Design Senior Projects by an authorized administrator of SFA ScholarWorks. For more information, please contact cdsscholarworks@sfasu.edu.

Philosophy

I believe that every interior should embrace a simple, sophisticated, and refreshing environment. Everything I create should meet the clients style and personal needs. By designing an atmosphere that reflects an individuals personality and enhances the functionality of the space, the user is left with a fun and organized environment that is truly their own unique home.
