The United States District Court
For the Eastern District of Texas
1846-2006

Mark Barringer

*Collegiality and the Constitution:
The Eastern District of Texas
1846 to 2006*

BY MARK BARRINGER

\$35.00 HARDCOVER 9781622882991

www.tamupress.com

AUTHOR MARK BARRINGER has done a superb job of collecting and describing the most important cases and trends in the Eastern District's history. This book provides a multitude of benefits to legal practitioners, history buffs, East Texans and anyone interest-

ed in a good read. It expanded my historical knowledge about the court and reinforced my respect for, and pride in, its many accomplishments and its healthy organizational culture.

In my 23 years with the court, I had the privilege of working with a number of legal giants and superb leaders, including Judges Fisher, Justice, Steger, Parker, Schell, Brown, Cobb, Hall, Hannah, Heartfield, Folsom, Ward, Davis, Clark, Crone, Schneider, Gilstrap, Mazzant and Schroeder. The practice of law that they insisted upon was "warm zeal" in the representation of one's client(s), informed discourse about the facts and applicable law, and a genteel, respectful attitude towards opposing counsel and the bench.

David J. Maland
Clerk of Court (Retired 2015)
United States District Court
Eastern District of Texas

“In *The Great Texas Oil Heist* Robert Cargill tells the story of the slant-hole drilling scandal of the 1960s with both the thoroughness and the verve it deserves. Impeccably researched and clearly written, this work is a well told and compelling tale of how politics, geology, money, and human nature combined to create a uniquely Texan scandal and how it was finally broken up. Cargill has done a service by shining a bright light on this long-running episode of criminality that has been talked about but never before explored in such meticulous detail.”

MELISSA KEAN
