Alexis Reado

Design is the freedom to transform a space through ingenious creativity.

My name is Alexis Reado, and I am from Beaumont, TX. Once, I graduate in December of 2015 with my Bachelor's in Interior Design, and minor in Graphic Design, I plan to pursue a career in Commercial design. Careers' for airlines, design firms, and hospitality industries have sparked my attention. Once settled into my profession, I'll begin working to obtain my Real Estate license. My overall goal is to work as an Interior Designer, and being a business owner of apartments or town homes designed by myself. I am open to any opportunities of design, and thrilled to begin my life as an Interior Designer.
