NEW IN TEXAS HISTORY

The Texas Heritage, Second Edition

Edited by Ben Procter, *Texas Christian University*
and

Archie P. McDonald, *Stephen F. Austin State University*

Available in September 1991

The second edition of the well-known *Texas Heritage* reflects an extensive survey of topics most often covered in Texas history courses at the undergraduate and secondary levels. All chapters have been rewritten to incorporate recent scholarship. New chapters include Statehood, Reform, Progressivism, Texas from the Great Depression through WW II, and modern Texas.

Professors Procter and McDonald have written two chapters apiece and have selected well-respected and experienced professors of Texas history as fellow contributors. A fine complement to any standard text, and, in specialized courses, itself a core text, the Second Edition of *The Texas Heritage*, is also an accessible and informative account to be enjoyed by all Texans who wish to learn more about their state's rich legacy.

Contents: Spain's Cultural Legacy in Texas, Felix D. Almaraz, Jr.; Anglo-American Arrival in Texas, Archie P. McDonald; Texas Independence, Archie P. McDonald; The Republic of Texas, Stanley Siegel; Statehood, 1845-1860, Michael L. Collins; Change and Continuity in Texas During the Civil War and Reconstruction, Alwyn Barr; Reform 1874-1900, Irvin M. May, Jr.; Progressivism in Texas, Norman D. Brown; Texas from Depression through World War II, Ben Procter; Modern Texas: The Political Scene since 1945, Kenneth E. Hendrickson, Jr.; The Tejano Experience, Rodolfo Rocha; The Civil Rights Movement in Texas, Robert A. Calvert; Women in Texas, Cary D. Wintz; The Texas Rangers: An Overview, Ben Procter; The Cowboy and the Cattle Industry, Joe B. Frantz; The Oil and Gas Industry in Texas, George N. Green; Sports in Texas, James W. Pohl

The History of Texas

Robert A. Calvert, *Texas A&M University*

and

Arnoldo De León, *Angelo State University*
